

Surrey County Indoor Bowling Association
County Inter-Club Rules
Effective from Season 2018 – 2019

General

1. The E.I.B.A laws of the game will apply, subject to any bye-laws governing this competition approved by S.C.I.B.A.
2. The Competition will be open to all indoor clubs affiliated to SCIBA.
3. Administration of the competition will be controlled by the County League Secretary.
4. Members belonging to more than one Surrey Indoor club may only play for one Club in League matches in any one season.
5. League matches will be organised as part of the Club's match programme for Saturdays or Sundays. Normally, the Home Club match arrangements will be complied with, except for the matters provided for in these rules.

League Format

6. The number of rinks playing in a Club team will depend on the number of rinks it has available for Home League Matches. **Teams will comprise either three or six rinks.** For League purposes, Surrey Clubs are designated as follows (though not all wish or will participate in the League.)

Camberley	6 Rinks	Croydon	6 Rinks	Egham	6 Rinks
Donyngs	6 Rinks	King George Field	6 Rinks	Sutton	6 Rinks
Wey Valley	6 Rinks	Old Coulsdon	3 Rinks	Mole Valley	3 Rinks
Richmond	3 Rinks	Temple	3 Rinks		

Play

- 7 a. Teams short of a player/s will play as a Triple vs. a Rink. The Triples play 6 Woods against the Rink of 8 Woods. Method of play is that the Triples forfeit the No. 2 position i.e. the Leads play as normal, the No.2 then plays both his woods consecutively and the No. 3s and Skips play as normal. The actual score stands with no deductions.
- 7 b. Prior to commencement of the League match, individual rinks for both teams will be drawn. Captains will also toss for the first use of the Jack.
7. c. If a player has to leave the green owing to illness or other reasonable cause, his place will be filled by a substitute belonging to the same Club. If that player is a Skip, his duties and position will be carried out by the Three. In the event of a substitute not being available the game will proceed with 3 players rule 7.a. applies.
- 7.d. Before the commencement of each League match there will be two trial ends. The trial ends will normally be followed by 21 ends. The result of each match, however, will be determined from the score on each Rink on the number of ends completed.
- 7.e. The tradition of playing "Threes up" at the Head until Two's have bowled will be maintained in the match for as long as time allows on individual rinks, and at the discretion of the Captains. Before a match starts Captains should agree arrangements to take place in this regard if it is thought time will be against completing 21 ends on any Rink.
- 7.f. Play in League matches will be continuous; this is whilst taking mid-match refreshments. After match catering will be by agreement between the Clubs.

12. If a match is abandoned or not played due to circumstances beyond each Club's control (e.g. Weather, Loss of control of the green, illness of epidemic proportions) and cannot be rearranged, the points for the match will be allocated at the discretion of the County League Secretary.
13. If a match is abandoned, the score will be taken if a minimum number of 12 ends have been played by each rink, and the score will be taken at the lowest number of ends played by all rinks.
